

PhotoCross 15 Backpack

For more information please visit: www.thinktankphoto.com

Adventure photographers need a camera bag that's as tough as they are. With its rugged materials and faceted design, the MindShift PhotoCross 15 backpack will protect your gear from another punishing trip into the wild.

The PhotoCross is built to withstand the elements, yet comfortable enough to wear on long days in the field. The extra-large side panel gives you complete access to your gear when you're ready to take the shot.

PhotoCross Backpack 15 Orange Ember

PhotoCross Backpack 15 Carbon Grey
